

# TIMELINE

## DATAJAM MILESTONES

### 1. SEPT-NOV: SIGN UP

Email [luella@sfsu.edu](mailto:luella@sfsu.edu) with

- 1) high school name
- 2) teacher advisor email
- 3) names and emails of students on team

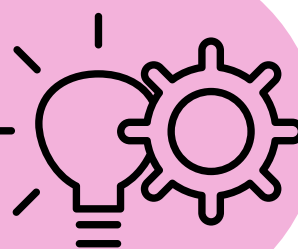

### 2. NOV-DEC: MEET MENTOR

Provide times available and the DataJam organizers will help coordinate meetings with college student mentor

### 3. EARLY DEC: PROPOSE A PROJECT

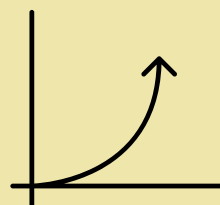

High school teams submit a proposal (template provided) for a data science project. Mentor helps facilitate brainstorming.

### 4. JAN-LATE MARCH: WORK ON PROJECT

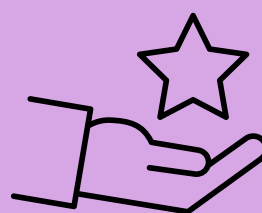

Weekly meetings with mentor to learn to

- 1) find data
- 2) revise topic as needed
- 3) clean data
- 4) analyze data
- 5) create a poster and slides

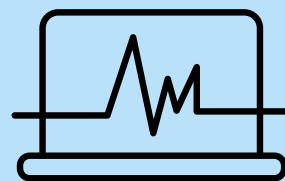

### 5. END OF MARCH: SUBMIT POSTER

Submit poster as a pdf to [datajam@thedatajam.org](mailto:datajam@thedatajam.org)

### 6. MID APRIL: PRESENTATION

Around April 15, the week before the DataJam Finale, give a 10 minute presentation on your project to panel of judges via Zoom

### 7. LATE APRIL: SUBMIT SHORT SUMMARIES

Monday, week of DataJam finale,

- 1) Team submits a 30 second video of project and 1 key finding.
- 2) Mentor also submits a separate 30 second video of project highlights.

### 8. LATE APRIL: DATAJAM FINALE

Last Thursday of April: Videos presented and competition winners announced!
